Dear Michelle,

Re: PROPOSED SOLAR FARM AT THE FORMER FISKERTON AIRFIELD

On behalf of Grey Street Solar Limited, Sirius Planning has been preparing a planning application for a proposed solar farm on the former Fiskerton Airfield. Before a planning application is submitted to West Lindsey District Council, Grey Street Solar Limited would like to share these proposals and is keen to hear your views.

Please find enclosed a leaflet which provides an outline of the proposal. A project website has also been created, please go to www.fiskertonwestsolarfarm.wordpress.com for more information.

If you would like to comment on the proposal please complete the enclosed comments form and return to Sirius Planning, the address is on the form. We are also happy to receive comments via the project website or email us at PlanningConsultations@thesiriusgroup.com. We ask all comments on the proposal to be sent to Sirius Planning no later than 29th June 2020.

Please find enclosed a short public notice should you require one to print and display on a notice board or to advertise on the Parish Council's website. Please also feel free to upload the leaflet to your website or provide a link to our project website.

Should you have any queries or require any more information, please do not hesitate to contact us on 0113 264 9960 or email me at PlanningConsultations@thesiriusgroup.com.

Yours sincerely,
