Since the last parish council meeting, the village hall committee have met twice and they have had a lot of responses. The clerk was requested to ask for any comments/replies from neighbouring parishes. The next Church Commissioners Group meeting would be taking place on Monday 30<sup>th</sup> March at 12.30pm. West Lindsey are happy with the plan overall but they have sent over a few adjustments which are currently being worked through. The neighbourhood plan need roughly £8,000.00 to help towards the remaining costs so it was suggested that the clerk apply for grants as soon as possible.
13. **Any other matters for discussion or inclusion on the next agenda**  
With regards to the extra lighting requested for Ferryside, the council – after further checks – felt that the lighting was sufficient in that particular area. The clerk was asked to contact WLDC to enquire about the required lighting standards and if these were being met on this particular road. There were several complaints with regards to the vandalism at the teen shelter and several suggestions including to remove it all together. The final outcome was decided that notices would be made and placed all around the village including the shops and school to warn the children that if it was further vandalised then action would be taken which may result in it being removed altogether.

**The meeting closed at 8.40pm**
