Turn left from the car park exit and immediately right, down Dale Avenue. At the end turn left down Lady Meers Road. Continue along this road for approx. 400m. After passing Oakwood Close you will see the Public Footpath sign on your left between the houses (opposite the grit bin). Follow the path into the field **A** and at the T Junction Public Footpath sign turn right and follow the path around the edge of the field until you reach the gap in the hedge **B**. Go through and continue in the same direction with the hedge on your left. Through another gap and bear right across the field following a well-defined footpath. **C** Cross the wooden bridge and, still keeping to the path, now bearing diagonally left (towards the Church). Go to the road via the track at the back of the houses. **D**

Go straight ahead and bear left on Plough Lane to follow the pavement to Reepham Road. You will see a bus shelter on your right. At the junction, cross Reepham Road **carefully** and turn left to follow the pavement to its end. In approx. 100m cross the road **carefully** and go over the footbridge. **E** Follow the footpath sign diagonally right across the centre of the field, aiming for the left end of the hedgerow in the distance, **F** and the footpath sign. Go ahead over the bridge **G** and follow the edge of the field keeping the hedge on your right and then bearing left towards the railway crossing.

Cross **carefully** and turn left, keeping the railway lines immediately on your left. **H** Follow this footpath past the play area, two fields and then to the rear of houses (approx. 1k) until you come out onto Minster Drive. Turn left on Croft Lane, over the level crossing and return to the Parade car park.
